About NEXCOM

The Navy Exchange Service Command (NEXCOM) oversees 100 Navy Exchange (NEX) facilities and nearly 300 stores worldwide, 39 Navy Lodges, the Ships Store Program, the Uniform Program Management Office, the Navy Clothing and Textile Research Facility and the Telecommunications Program Office. NEXCOM's parent command is the Naval Supply Systems Command. NEXCOM's mission is to provide authorized customers quality goods and services at a savings and to support Navy quality of life programs for active duty military, retirees, reservists and their families. NEXs and Navy Lodges operate primarily as a non-appropriated fund (NAF) business instrumentality. NEX revenues generated are used to support Navy Morale, Welfare, and Recreation (MWR) programs. In FY15, \$2.5 billion in sales were generated with \$22.3 million in dividends provided to Navy MWR programs.
